

WORKREADY TRADIE FITOUTS

Your work van is your livelihood - fit it out
with the very best in van storage and safety.

autosafe

YOUR MOBILE WORKSPACE, READY TO ROLL

Your work van is your livelihood, so fit it out with the very best in van storage and safety.

Workready Tradie Fitouts provide your mobile workspace with everything it needs to hit the ground rolling. Available for the most popular vans in Australia, choose between the Tradie Essential, Pro or Ultimate packages to suit your workstyle, then customise your build to suit the demands of your day-to-day work.

Whether you're a sparky, plumber, builder or handyman, you can tailor a Workready Tradie fitout to suit your needs.

Australian Made, Designed and Tailored to Your Needs

Autosafe has been designing and manufacturing products to keep Australians safe on the road since 1991. Starting with cargo barriers, we have expanded our range across a wide variety of vehicles to provide Aussies with the very best in storage and safety solutions.

Guaranteed for Longevity

Our products have been designed and tested to suit tough conditions.

- 10 year warranty - on all non-movable fixtures
- 5 year warranty - on all movable fixtures

Tailored for Your Vehicle

All our products are tailor-made for the most popular makes and models on Australian roads. Our team makes use of all factory mounting points for safe and secure installation without permanently damaging the vehicle - retaining resale value for your next upgrade.

autosafe

The Foundations

EVERY WORKREADY FITOUT STARTS HERE

Every Workready Tradie fitout is built on two core components that work together to give your van a safe, durable and modular workspace.

Protekt Flooring

All Autosafe fitouts include Protekt flooring as a foundation for your van. It mounts directly into factory mounting holes and is cut to suit your van's floor.

Protects your floor from damage

Provides a safe workspace with non-slip hex finish

Provides an even foundation for mounting shelves and accessories

Cube Shelving

Cube Shelving is a modular shelving system for your van, adaptable for all vans and van heights.

Mounts to factory mounting points in the roof

Flexible shelf positions

Modular accessories to suit your requirements

Additional storage space on the uprights

CHOOSE YOUR PACKAGE

ESSENTIAL | PRO | ULTIMATE

Three Workready packages, designed to match how hard you work.

tradie **ESSENTIAL**

THE PRACTICAL, NO-NONSENSE FITOUT

A practical and durable Workready storage solution for vans, designed to keep tools organised and easily accessible in demanding work environments. This fitout features dual-bay shelving on the driver's side - each with four shelves - all mounted on a robust Protekt flooring system for maximum durability and efficiency on the job.

Includes

- Protekt Flooring
- Cube Shelving
 - Driver's Side Front: 4 shelves
 - Driver's Side Rear: 4 shelves

IDEAL FOR:

Tradies starting out, secondary work vehicles, or trades that work mostly out of a single side of the van.

tradie **PRO**

THE FULL STORAGE BUILD

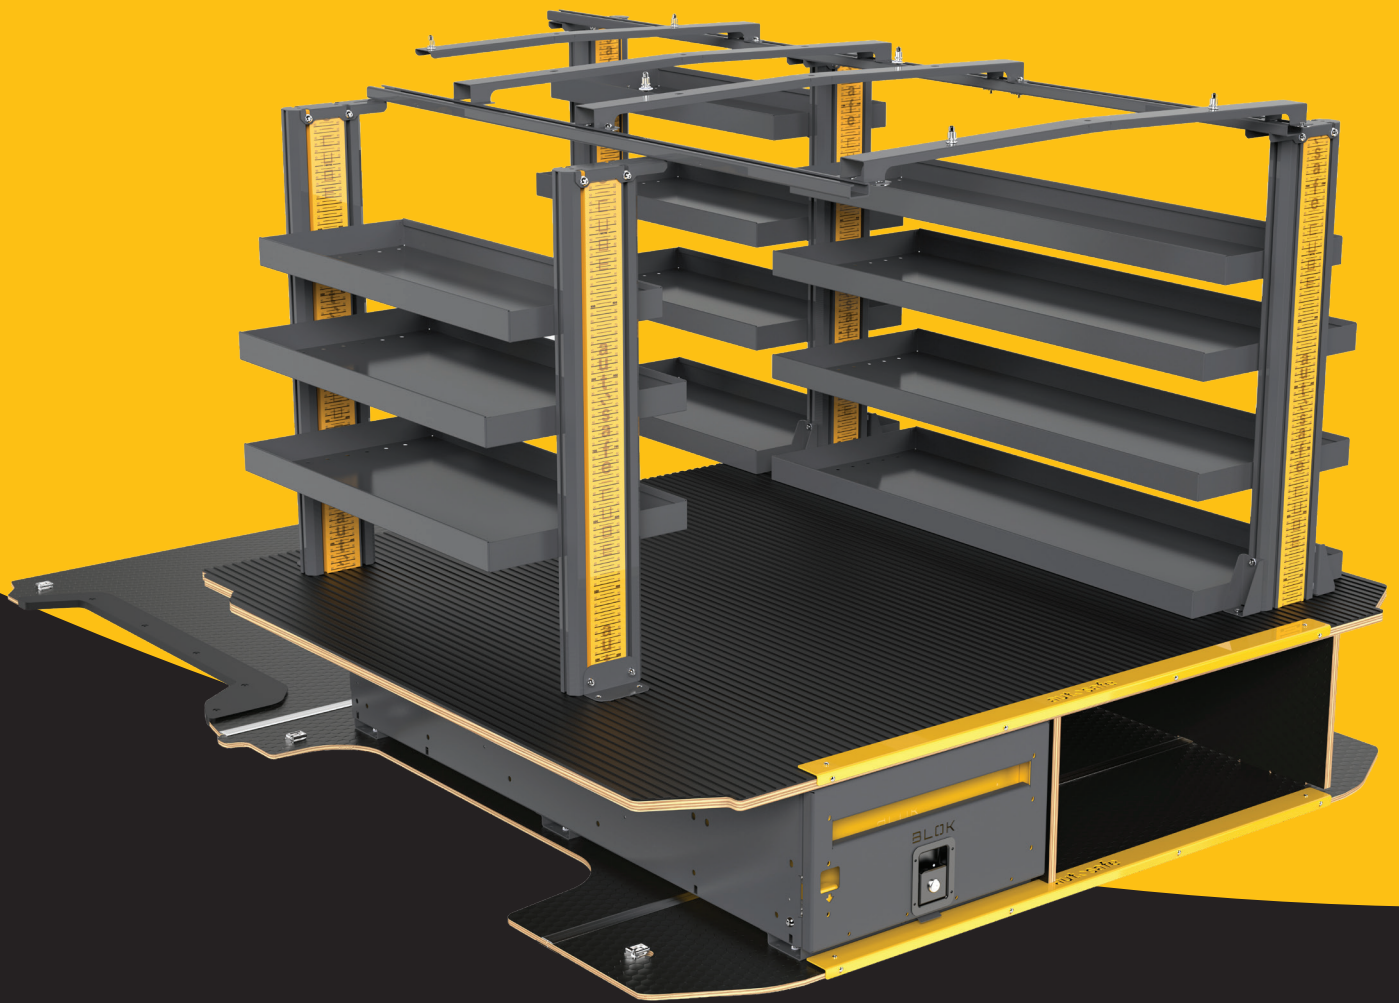

The Tradie Pro fitout is a practical and heavy-duty Workready storage solution designed for trades who need maximum organisation and accessibility in demanding environments. Built for efficiency, this setup features dual-bay shelving on the driver's side - each with four shelves - plus an additional shelving bay on the passenger side for expanded storage capacity. All components are mounted on a robust Protekt flooring system, ensuring durability and reliability on every job.

Includes

- Protekt Flooring
- Cube Shelving
 - Driver's Side Front: 4 shelves
 - Driver's Side Rear: 4 shelves
 - Passenger Side: 4 shelves

IDEAL FOR:

Full-time trades who need their van fully kitted across both sides - sparkies, plumbers and builders running a complete inventory on board.

tradie**ULTIMATE**

THE PREMIUM, SECURITY-FIRST FITOUT

The Tradie Ultimate fitout is a premium Workready storage solution designed for trades who require maximum storage capacity, organisation, and security in demanding environments. Built for efficiency, this setup features a floating floor with a lockable Blok drawer system accessible from the rear of the vehicle. Three bays of shelving are mounted above the floating floor, providing optimal storage.

Includes

- Protekt Flooring
 - Base floor
 - Floating floor
- Blok drawer (lockable, rear access)
- Cube Shelving
 - Driver's Side Front: 4 shelves
 - Driver's Side Rear: 4 shelves
 - Passenger Side: 4 shelves

IDEAL FOR:

Trades carrying high-value tooling, working on sites with security concerns, or anyone who wants the most capable Workready build available.

Compatible Vehicles
